John Ellena succumbs

John B. Ellena, 68, recently retired president of Regina Grape Products Company of Etiwanda died Monday.

Ellena, a native of Italy, came to the United States with his family when he was four-years-old and settled in the Etiwanda area. His father, Claudio, purchased vine cuttings from the Guasti Vineyards and planted 100 acres of grapes.

On the death of his father, Ellena assumed presidency of Regina in 1924. Until prohibition ended in 1933, the firm shipped fresh fruit throughout the country.

Regina began production of wine vinegar in 1949 and the firm is now the country's leading producer of the product. Ellena was a member of the Ontario Elks Lodge and president of the Cucamonga Growers and Vintners Association. He also served on the Wine Advisory Board of San Francisco and the California Wine Institute, two organizations he was instrumental in founding.

He retired as president when Regina Grape Products Co. merged recently with Huebner, Inc.

Ellena is survived by his wife Arless; a son, Claude of Upland; three brothers, Frank and Louis of Etiwanda and Arnold of Upland; two sisters, Mrs. Leslie Cooper of Alta Loma and Mrs. Charles Constantino of Los Angeles.

Funeral services were held Wednesday, Feb. 17, at Draper Memorial Chapel. Entombment was made in Montecito Memorial Park, San Bernardino. Memorial contributions may be made to the American Heart Association.

Pony League registration

Registration for 13 and 14-year-old boys interested in playing baseball this year in the Upland Pony League will be held Monday and Tuesday, Feb. 22 and 23.

Registration hours will be between 7 and 9 p.m. in the Upland High School cafeteria located at the southeast corner of the campus on West 11th Street.

Eligible boys must live within the boundaries of the Upland City limits on the East, San Bernardino County Line on the West, San Bernardino Freeway on the South and Mt. Baldy on the North.

Breakfast Lions Club

Upland's Breakfast Lions Club will hold its annual rummage sale Feb. 26-27, to help consumers fight inflation and to raise funds for community projects.

The Lions will set up for business in the building on the southeast corner of Second Avenue and Ninth Street. Sales hours are slated for 9 a.m. through 9 p.m. on the first day and 9 a.m. through 5 p.m. on the second day.

Proceeds from the operation will be applied to services for the blind and to youth programs.

Chairman of the bargain event is Earl Bennett, with Larry Lovelady as co-chairman and Bill Birkes as coordinator.

The inventory ranges from household items and clothing to shop and recreational equipment.

Override not endorsed

The Taxpayers Association of Upland has voted not to endorse the Tax Override election scheduled for Feb. 23. The Association urged, however, that every registered voter in the district cast their vote Tuesday, whether it be "yes" or "no" for only in this manner can the Board of Trustees assess the desires of the people and plan their program accordingly.

In failing to endorse the override, TAU cited the fact that Board action in a number of instances had not met the group's aim of fiscal responsibility and it was felt that the Trustees had not adhered to the public trust of representing the best interests of their electors.

Douglas Blackie is president of the group.

Interpretive Coffee

An Interpretive Coffee will take place Tuesday, Feb. 23, at the home of Mr. and Mrs. D. W. Maher, 1136 Canyon Dr., Upland.

The coffee will allow interested West End women to learn more about the proposed auxiliary to the West End Boys Club.

Rotary seeks scholars

"This one year spent under a Rotary Foundation Fellowship has been the fullest and most rewarding of my life... it was an experience never to be forgotten."

Thus writes a college student from the U.S.A. after a year of study in England made possible by an award from The Rotary Foundation of Rotary International.

The Rotary Club of Upland now is seeking young men and women from this area to apply for a Rotary Foundation educational award, according to Harvey Stone, club president.

The Rotary Foundation is a non-profit organization supported by the contributions from Rotarians and Rotary Clubs around the world. Since 1947, the Foundation has awarded more than \$10 million for its various programs, and more than 4,000 young men and women have gone to a country other than their own for a year of study.

Three types of educational awards are offered by the Foundation: Graduate Fellowship, for 20 to 28-year-olds with a bachelor's degree or its equivalent; Undergraduate Scholarship, for 18 to 24-year-olds with a minimum of two years of university level work; and Technical Trainee, for men and women 21 to 35 years old, with a secondary education and at least two years' working experience.

In addition, grants are made to teams of young business and professional men who spend two months abroad in a district-sponsored study program.

An awardee receives funds to cover costs of round-trip transportation, tuition, meals, lodging, intensive language training, if necessary, and funds for educational travel during the year.

Each year, each of the more than 300 districts of Rotary International may submit at least one candidate for an award and may apply for a Group Study Exchange grant. The Rotary Club of Upland, in District 530, seeks, this year, candidates for Graduate Fellowships, Undergraduate Scholarships, and Technical Trainee awards, two of which will be granted to residents of District 530.

Detailed information about the educational awards is available from Rotarian John B. Atwood, P. O. Box 701, Upland, Ca. 91786.

Application deadline is March 15, 1971.

Truck problem taken to state

Rock company owners informally agreed to three conditions covering truck traffic on Euclid Avenue Tuesday night and will abide by them while the Upland City Council seeks a solution to the problem in Sacramento and through additional study of the problem.

Owners attending indicated they would willingly restrict trucks to a 25 mile-per-hour limit on Euclid Avenue, and stay only in the right hand lane of the residential highway thoroughfare.

They also said a 10 p.m. to 5 a.m. moratorium on running trucks on Euclid would be observed.

Meanwhile, the council will fly to Sacramento Tuesday, Feb. 23, along with some concerned Euclid Avenue residents to pursue state limitation of 25 miles per hour on Euclid Avenue and the encouragement of the construction of the Foothill Freeway at an early date. The freeway would, the council feels, help alleviate the problem by offering a route out of Upland closer to rock company sites.

Councilman John McCarthy offered a motion which asked the 10 p.m. to 5 a.m. loading halt and 60 days for the council to seek an alternate route to Euclid for the trucks. Mayor George Gibson said he felt 60 days was too long and that a 30-day limitation would be preferable.

Councilman Ronald Rossiter amended the motion to suggest a voluntary agreement by the rock firms be drafted and signed by the firms limiting trucks on Euclid Avenue between 10 p.m. and 5 a.m., reducing the speed to 25 miles per hour on 19th, 16th and Euclid; forbidding use of the "jack brake" except in an emergency and asking the city to monitor

the truck traffic. He asked that a review be made of the matter in 30 days rather than 60 days. The council agreed.

Rossiter also asked City Manager Elwin Alder to research the possibility of removing Euclid from the State Highway system. Alder pointed out the street is a permanent State Route 83 as well as a temporary State Highway 30. Alder said he had talked with officials in Sacramento and the only way a change could be made was through legislation.

Flying to Sacramento will be Mayor George Gibson and Councilmen John McCarthy, Harold Bailin and Ronald Rossiter. Also attending the day-long session will be Mrs. Virginia Allen, Carlton Rogers and Mel Hodell.

The trip, which grew out of the last council meeting, was open to anyone "desirous of taking part in the solution of this

problem" according to information from the office of Elwin Alder, city manager.

Meetings have been set up with State senators William Coombs and John Quimby as well as the chief engineer in the State Highway Department and a representative of Governor Ronald Reagan.

Emphasis will be placed on reducing truck speed on Euclid Avenue to 25 miles per hour, placing the Foothill Freeway in a high priority and appropriating money to provide for its early construction.

Thirty seats have been reserved on Western Airlines which departs Ontario at 9:50 a.m. Tuesday. The return flight will land in Ontario at 6:05 p.m. the same day. Round trip, including luncheon, will cost \$50 per person. Deadline for reservations was Feb. 16.

AFS exchange students speak out

BY BOBBE MONK

He says it's too hot here, she says it's too cold.

He says he took the opinions of others about the United States "with a grain of salt."

She says she thought people in the United States "don't care who they hurt and could do what they want."

He is quiet, serious, individualist and gracious.

She is vivacious, outgoing, exuberant and lovely.

He is 18 and Norwegian.

She is 17 and Panamanian.

He is Hakon Finne, American Field Service exchange student from Sultjelma, Norway, attending Upland High School.

She is Gisela Santiago, AFS student from David, Panama, attending Alta Loma High School.

The two, who have met at AFS gatherings since their arrival in the foothill area last fall, came to the office of the Upland News-Cucamonga Times and talked about their countries and ours. The conversation was entertaining and enlightening.

Gisela is staying with the family of Dr. and Mrs. Herbert Archibald in Cucamonga. The family has three girls and one

boy. The oldest girl, Mary Ann is 17 and Gisela's "sister."

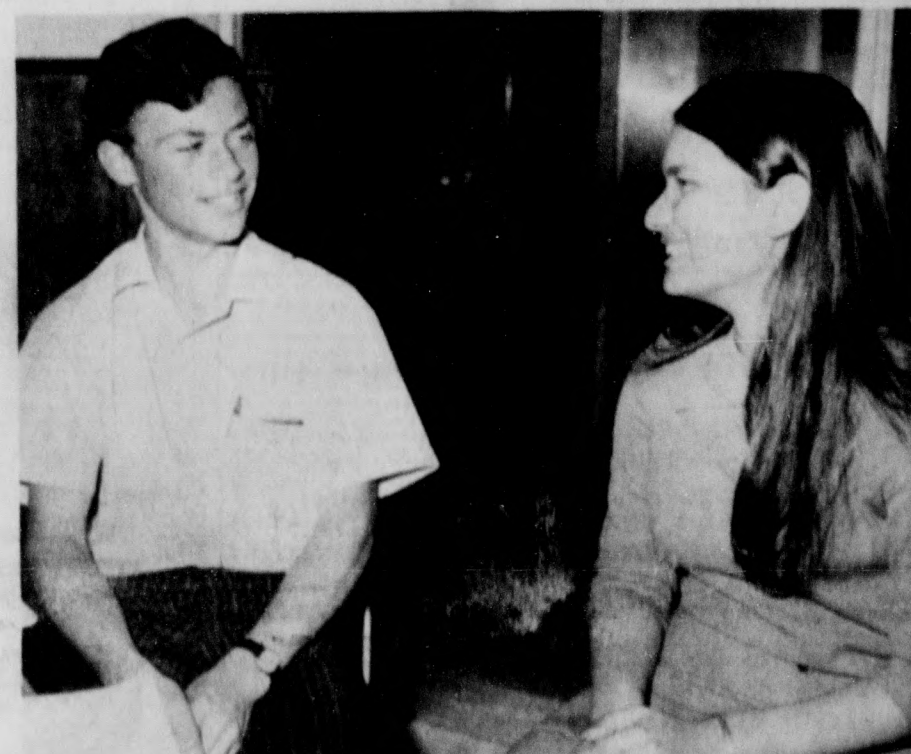

Her home is in David, Panama, near the Costa Rican border and she lives with her mother Nisla Santiago, a brother and sister. Mrs. Santiago is an elementary school teacher.

Hakon said his first impression of the U.S. after arrival was the heat. "I was almost struck out in the first few weeks, I'll have to admit," he said.

His home city is divided by the Arctic Circle and sub zero weather "isn't unusual." Hakon doesn't live at home because his city has no high school. "My school town is Moss, about an hour away from Oslo (the capital)." He stays with relatives there rather than boarding.

Hakon lives in Upland with Dr. and Mrs. William Hale and family. At home, Hakon is the big brother, but here an even bigger one since the Hale boys are younger than his two brothers.

If Hakon and Gisela are a good example of AFS students, both foreign and American, the program is bound to improve understanding and good will between countries.

Sharing experiences

Board looks to override

BY JENNY KIRKPATRICK

(Editor's note: This is the fourth in a series discussing the current Upland School District's problems. So far the series has explored the disenchantment of citizens with the district which resulted in the formation of the Upland Taxpayers Association; the financial plight of the district and some remedies taken as discussed by Ernest Kirkland, assistant superintendent, business, USD, and the goals of the district by John Rodriguez, Superintendent of the District.)

Many people are confused about school boards and their function. Some think these boards have local control over a school district and others say they administer the state education code.

School boards do have local control to the extent they formulate the policies of the board, hire the superintendent and approve all monies to be used in running the district.

They also work with the superintendent on philosophy of the district. For instance, in predominantly middle-class areas, schools reflect the middle-class value. In depressed areas, they reflect the need for survival and job training for the future.

Until recently, a board member could resign and the four remaining board members could procure a man of their choice, thus over the years, a board could be composed of men who were never elected.

In 1970 the legislature approved a bill that requires all vacancies in local governments be filled through an election. Barry Brandt is the first board member in the USD to have to be elected to a vacancy created by the resignation of Floyd Allen. Brandt was one of 11 candidates who ran.

Other board members serving are Mrs. Dorothy Gibson, Dr. John Skewis, William Rugg, president of the board, and Harvey Stone.

The main issue facing the board

Financial question

at the present time is financial, which they hope will be solved with the Feb. 23 tax override election asking 95 cents.

Following is a statement from the board on the situation.

"According to a 1969-70 financial report distributed by County Superintendent Roy C. Hill, the Upland School District ranked nineteenth out of nineteen elementary districts in San Bernardino County in amount of income per pupil from all sources, (local, county, state and federal taxes). The range was a high of \$1,849.84 to Upland's low of \$613.49. The average per pupil income in county elementary schools was \$696.23. Upland received \$82.74 less per pupil than the county average.

"In the same report Upland ranked seventeenth out of the nineteen county elementary districts in amount spent per pupil for the current expense of education. During the 1969-70 school year the Upland School District spent \$595. per pupil while the county average for elementary districts was \$632. Current expense of education does not include money for reserves, food services, community services, capital outlay, tuition transfers, state loan payments and bond redemption. It applies only to operation expenses for education of children.

"Upland has a minimum of industry; people live here, educate their children here, but work elsewhere. The firm they work for, in many instances, is a major property taxpayer, but it is not located in Upland. Upland does not receive the tax income, hence Upland does not receive the tax monies available to other communities with greater industry. If a family with two elementary school age children moves into Upland and purchases a \$25,000 home, the district would receive approximately \$170 per year from property taxes on that home for the current expense of education for the two children. It would cost the district \$1190 per year to educate the two children. In a residentially-orient-

ed suburban community such as Upland there is more demand on the homeowner to provide the needed financial support for the operation of schools than is found in an industrially-oriented urban city.

"The present tax rate was established in 1957 and an indefinite continuance passed in 1961. Due to rising costs because of inflation the school district has gone into its reserves and now the reserves have run out. Support from the state has been decreasing over the years also adding to the financial hardships of the district.

"This school year we anticipate our expenditures to be \$3,990,289. Our income estimates from all sources total \$3,724,846. The difference is \$265,433 which will be the anticipated amount of our reserves needed to balance the budget. Next year we will not have enough reserves to finance the deficit. We need to have a tax increase to eliminate deficit spending and at the same time maintain a quality education program. About 44 cents of the increase is needed to eliminate deficit spending.

"Upland has had good schools and has offered a better than average educational program. Since there is no fat to trim, our only hope of maintaining a quality edu-

cational program is to have the voters approve this tax election.

"If the tax election for 75 cents had been successful last summer, we would still have sufficient reserve funds. But now it will take 95 cents for two years to do what 75 cents would have done. The additional 20 cents over a two-year period will generate approximately \$240,000 which nearly amounts to the deficit incurred since the failure of the last election.

"All monies generated by this tax increase will go for the support of the educational program in the elementary and junior high schools in Upland. A \$25,000 home will cost the homeowner an additional \$4.35 per month in taxes.

"The new tax rate will be in force until June 30, 1973. At the end of that two-year period, it is hoped that the State Legislature will have acted on tax reform measures that have been promised. The school district also plans to determine long range goals desired by the people of Upland during this time and will determine the cost for attaining the goals. No new programs which require significant expenditures will be implemented until the community has determined what they want their schools to do."

Filing deadline set this week

No one has filed candidacy papers to date for the two positions on the Upland Elementary School board.

According to the office of San Bernardino County Registrar of Voters William Clinton, two four-year positions are up for election April 20. Deadline for filing is Feb. 25.

William "Bill" Rugg and Barry Brandt have filed an intention to retain their seats on the board. In the Chaffey High School District there are two four-year positions. Emery C. Brewer, 607 E. H St., Ontario, is the only person who has filed to date.

The Chaffey College District election is another matter. As of last week, six persons had filed their intention to run and a seventh added his name this week. There are three four-year positions open on that board.

Signed up are John P. Fontana, 8995 Pepper Ave., Fontana; William Hutson, 5625 Della Ave., Alta Loma; Mihkel Ruettmann, 240 Emerson, Upland; Jim Kelber, 6340 Haven Ave., Alta Loma; Clarence H. Saunders, 1126 S. Campus Ave., Ontario; Nathan A. "Nat" Simon, 16756 Ivy St., Fontana; and Herschel R. Glenn, 1452 N. 1st Ave., Upland.

Socialism and slavery—synonymous

BY
DONALD W. REYNOLDS

"Whenever I hear anyone arguing for slavery, I feel a strong impulse to see it tried on him personally. It was more than a century ago that President Abraham Lincoln was credited with this statement,

After two weeks behind the Iron Curtain in the Socialist Republic of Romania, I think it entirely appropriate to substitute the word "socialism" for "slavery" in any possible future discussion on government.

Here is a country of 20 million people, rich in natural resources with the

greatest oil and gas fields in Europe, iron ore, coal, hydroelectric sites and natural water transportation facilities. There is a wealth of forests on which to build a timber industry. Favorable natural conditions make for excellent agriculture development.

So what has happened? The so-called "socialist democracy" has always been more socialist than democratic so the average Romanian lives a life that is dull, marginal and hopeless.

Neither immigration nor even foreign travel is permitted any of the people with the exception of the self-perpetuating bureaucrats who control the government. A tight censorship exists on both incoming and outgoing personal correspondence and newspapers. The government has a rather sly censorship trick -- all mail is held from eight to 15 days, even foreign newspapers, evidently based on the theory that

outdated information is harmless information. Recent troubles in Poland went unnoticed in the local newspapers and news broadcasts.

There is a list of selected candidates nominated by the Communist party. No contests ever reach the ballot -- you either vote for the only candidate offered or you don't vote.

The people apparently eat adequately, they have living quarters and drab clothing. Bare minimum creature comforts are available, but there is no choice -- and little hope of ever having one. Percentage-wise there are even more people employed by the Romanian government than in the United States until you list our industries closely regulated by government and include the welfare and relief rolls -- then we almost have them outnumbered and are rapidly closing the gap. If your bread and butter

depends on government, it is pretty difficult to vote out the bureaucrats.

In Barcelona, Spain, there is still much discussion on the pardoning of the Basque murderers. Murder is a pretty serious protest, particularly if you are the guy who has been murdered. No doubt the widespread protests outside of Spain had much to do with the amnesty. The next move, based on worldwide trends, will be the kidnapping of some diplomat or other public official with a complete freeing of the murderers as the ransom fee for the unlucky kidnapping victim. And if by some chance the kidnappers are caught, their slap on the wrist is the not too unpleasant chore of spending, at we say taxpayers' expense of course, a few pleasant years in the salubrious climate of Cuba, Algiers or Mexico.

Let's not forget, whether you approve of the Kennedy clan or not, the convicted, cold blooded murderer of Bobby is still very much alive, eating better food and wearing more expensive clothing than ever before in his life. And obviously enjoying better personal service with no effort on his part -- the apparently inexhaustible taxpayers' pockets picking up the check.

Out of my mind

BY
JENNY KIRKPATRICK

Typewriter talk
Me: "What's in your roller?"
Typewriter: My Valentine.

Me: "Your Valentine? Who gave it to you?"
Typewriter: (Shyly) The new computer.

Me: "The new computer, you mean the one in the business office?"
Typewriter: Uh huh, isn't he dreamy?

Me: "Well, if computers are your bag, I suppose so."

Typewriter: There you go again making fun of me. You just can't seem to understand we machines have feelings, too.

Me: "Okay, okay, tell me about him."

Typewriter: Well, he's sophisticated and has broad shoulders and dresses in a brown suit with a light brown shirt and green buttons. He's older and knows a lot.

Me: "He sounds nicer than your former boyfriend, the cash register."

Typewriter: Oh! much better. CR was nice, but so plain. He was younger than my computer, but all he talked about was money. Besides, he thought he was great with that ringing bell.

Me: "Didn't you once like the newspaper type computer in the back shop?"

Typewriter: Yes, but

that was when I first came here. Those machines are really just newspaper men.

Me: "Are you making derogatory remarks about newspaper people?"

Typewriter: No, but you know the type they are. Work, work, all hours. So serious and dedicated, and a nip at the oil now and then. I don't know about real newspaper men, but those machines are always breaking down. I'll take the computer any day.

Me: "That's obvious. He seems to be the man of your dreams. Now put away that valentine and settle down. We've got to get my column done."

Gambit

By Bobbe Monk

There is, apparently, a new organization in Upland called "TOE". With the world's propensity for having catchy initials, their's stands for "Trucks Off Euclid", referring, of course to the problem of rock trucks and their rumblings. In their first four, short missives, they point out how Euclid should be "protected from all ravaging forces including truck traffic of all types," and encourage the moving of the trucks to Campus "now." They also maintain that children on Campus are concentrated on only two blocks whereas children on Euclid are spread out for eight blocks and therefore more children are endangered on Euclid.

Then, in about missive number six they suggest that the funds for improving Los Olivos is a "questionable use of tax money" and should go to new housing in other areas so "Campus can be entirely industrial and zoned non-residential and 100 per cent truck traffic in the public welfare."

Addressed to the council, the items came to this office. There were no signatures or other identifying information.

IN THE AREA of truck problems a suggested trip to Sacramento is materializing on Feb. 23. Interested residents may go along and voice the need for 25 mile-per-hour speed limits for trucks on Euclid and to push for early completion of the Foothill Freeway through Upland to help alleviate the problem. City officials will be making the trip. Cost round-trip and for lunch with legislators is \$5.00.

IN A MORE generalized area of concern, there is REAP (here we go again!) REAP stands for Rural Environmental Assistance Program and the local development group met Feb. 16 in San Bernardino to discuss provisions and guidelines for operation.

According to information from the U.S. Department of Agriculture, "REAP is a conservation cost-sharing program of the U.S. Department of Agriculture under which farmers and the Government share the cost of conservation practices needed in the public interest. Formerly known as the Agricultural Conservation Program (ACP), "it has been restructured to better meet environmental goals benefiting farmers and non-farmers alike."

As the information points out, environmental problems are caused by all of us, both town and country people, and solutions must come from all of us working together. "Pollution is caused by the same people who want clean water and unspoiled countryside."

I say great! And they can start by sending information out on non-colored paper since dyes are one of the pollution problems.

Carrousel Ball dawns like Aquarius

Away they go

Mailing invitations to the Carrousel Ball of the San Antonio Community Hospital Auxiliary are auxiliary members the Mmes. Vincent J. Carollo, Robert Chilcott and Howard Unrue Jr. The event will be held March 6.

UPLAND—"This is the dawning of the Age of Aquarius" and the dawning of the invitations which will be extended for Aquarians through Sagittarians to come and enjoy themselves at the Carrousel Dinner Dance March 6 at the Ontario Golf Course.

An evening of relaxed dining and dancing is planned as well as a bit of astrology. All readings point to a favorable "moon in the seventh house" so whatever the individual sign, chart a course for the San Antonio Community Hospital Women's Auxiliary and come for an evening of pleasure, SACH says.

Mrs. Belle Robertson is general chairman for the Carrousel. Working under her direction are committee chairmen the Mmes. Howard Unrue Jr., invitations; Ray Rehkop, reservations; Alan Barr, decorations; Floyd Plasmann, desserts; James Sullivan, publicity; Doris Vavrinek, thank yous; Donald Shanklin, orchestra and Gayle Robertson, invitation arrangements.

Committee members addressing invitations under the direction of Mrs. Unrue are the Mmes. Clifford Nellis, Vincent Johnson, Robert Chilcott, and Vincent J. Carollo.

Local firemen host Citrus Belt meeting

CUCAMONGA - Cucamonga firemen hosted the Citrus Belt Firemen's Association Jan. 28.

The organization, meeting in the Cucamonga fire hall, installed new officers for the year.

Willie Fenton of Chino will serve as president; Richard Cole of Upland first vice president; James Gensberg, George Air Force Base, second vice president; Harriett Allen, dispatcher at Chino, secretary-treasurer and Ed Rafferty, Hemet, sergeant-at-arms.

The group, which meets at various stations in the district, is composed of representatives from each fire station in the Citrus Belt District.

Sons of Italy plan steak dinner-dance

CUCAMONGA - The West End Lodge 2127, Sons of Italy will hold a barbecued steak dinner and dance March 20 in Sweeten Hall, corner of San Bernardino Road and Hellman Ave.

The reservations-only event will begin at 7 p.m., with dancing from 9 p.m. to 1 a.m., to the Mandala Orchestra. Donations for the event will be \$6 per person.

Reservations may be made by calling Nick Sciortino at 982-0245 or Paul Lucifora at 987-2716 or 982-5964.

Fate of a flower-- from birdseed to birds

The 'volunteer'

Mrs. Gayle Roberson of Upland shows off the sunflower which "volunteered" from the bird seed she had thrown out and reached 11 feet in height. The flower is 20 inches across.

CRADLE CORNER

A girl was born Jan. 24 to Mr. and Mrs. Gregory M. Schwan, 1355 Butler Way, Upland. She was named Victoria Jo.
A boy was born Jan. 27 to Mr. and Mrs. Dale Leinbach, 749 Vernon Drive, Upland. He was named Glenn Daryl.
A girl was born Jan. 27 to Mr. and Mrs. Kenneth A. Carpenter, 989 Springfield, Upland. She was named Amy Michelle.
A girl was born Jan. 31 to Mr. and Mrs. Gilbert G. Streifel, 1352 Winston Ct., Upland. She was named Barbara Jean.
A girl was born Feb. 3 to Mr. and Mrs. Kenneth D. Myers, 523 Greenfield Ct., Upland. She was named Allison.

BY BOBBE MONK

UPLAND—Although she had tried to grow sunflowers, conscientiously planting the seeds and watering them with care, it wasn't until the birdseed she had thrown out took root that she got her sunflowers.

And what sunflowers! Mrs. Gayle Roberson, 330 S. Campus, Upland, came into the Upland News office this month on the urging of her neighbors to show off her biggest "volunteer."

The flower was 20 inches across and had grown on a stem that was more than an inch thick. It had reached a height of slightly better than 11 feet, Mrs. Roberson said.

She recalled her childhood when her father raised sunflowers on a ranch in Redlands.

"I'd shinny up the stalk and ride them down," she said. "I almost did the same with this one."

Mrs. Roberson had been trying to raise the sunflowers for her birds. She has 35-40 parakeets, but she had intended the sunflowers mainly for her cockateel.

She has had as many as 600 birds when she and her husband raised them at their home on Euclid near C Street.

"We lived there for 23 years," she said. "When we sold, we sold most of the birds too."

"I still keep a sign out here, and I have a marker for them, but I don't do too much that way any more."

Mrs. Roberson said "You get attached to the birds and it's hard to sell them." She maintains she knows all her birds.

She remembers fondly one bird they had which was particularly attached to her husband. It would wait for his arrival home each evening, then head straight for him, landing on his shoulder and remaining there until Roberson retired for the night.

She said that particular bird was a kind of pest too. "You had to keep a cover over anything you put in a glass or cup. He kept falling in and constantly had to be bailed out."

Her love even extends to birds' natural enemy, cats. One cat made its way to her home one Christmas. She found him on the porch covered with oil.

"It took me nearly a year to get that cat in shape," she said. "Even the vet said he wouldn't pull through, but he did. He was an awful sight for a long time though, and he still can't hear too well."

"You see," she said laughing, "I missed my calling. I should have had a zoo in the first place."

In good voice

Mrs. W. D. Achuff, Mrs. Howard Wellington and Jean Border practice for the Musicales Sunday, Feb. 21, at the United Methodist Church of Cucamonga. The 4 p.m. event at the church will present local musicians in a varied program of operatic arias, sacred music and selections from musical comedy. The Musicales is open to the public.

Home sewn

Mrs. B. J. Helmick and Mrs. Gilbert McKeon plan pattern placement in preparation for Tuesday, Feb. 23, The Upland Woman's Club will hold a "Fashions with Finesse" and tea at 1 p.m., on that day featuring home sewn creations.

St. Joseph's plans wine tasting

First taste

Silvio Castellini of the Thomas Winery in Cucamonga serves Mrs. Richard Garner, left, and Mrs. Charles Smith as the women plan the upcoming Wine Tasting Party to be held at the winery Feb. 19. Proceeds from the event will help defray the cost of books for St. Joseph's Catholic School in Upland.

'Hearts and flowers' at Cultural Center

UPLAND—A hearts and flowers atmosphere will prevail at the Chaffey Communities Cultural Center Sunday Feb. 21 when a program including a rare collection of antique valentines, musical selections of romantic ballads and a love scene from the Broadway play, "Our Town" will be presented.

The 3 to 5 p.m. performance will take place at the museum, 525 W. 18th St., Upland.

Featured in the love scene from Thornton Wilder's "Our Town" will be Thom McAleer and Rosemary Marquez of Upland. The talented young couple are cast in the lead roles of the forthcoming musical production "Cabaret" to be presented at Chaffey College.

McAleer, a theatrical art's major at Chaffey College, performs professionally on T.V. and has had roles in Gallery Theater presentations.

Rosemary Marquez, a Chaffey College graduate and professional "light pop" singing artist, has appeared locally in supper clubs during the past two years.

In addition to the classic love scene portraying "young love", the musical portion of the program will include Don Bowers of Upland singing selections "If I Loved You" from Carousel; "If Ever I Would Leave You" from Camelot and Schubert's "Who is Sylvia". Bowers has directed numerous musical productions at Alta Loma High School and is widely known for his performances at the Gallery Theater. He is Choral Director at Alta Loma High School. Mrs. Marion Duerr of Ontario will serve as his accompanist.

A romantic selection of love ballads will be presented by Mrs. Lyle W. Callow of Cucamonga. Accompanying herself by guitar - singing "Barbara Allen", "Shenandoah" and "Red Rose Bush." Mrs. Callow has appeared in a variety of civic programs during the past several years.

DID YOU KNOW ?

That officers of the Police Department will be required under Peace Officers Standards and Training regulations to have eight hours of training in the use of non-lethal weapons.

Upland News, Cucamonga Times

CUCAMONGA - A gala Wine Tasting Party is scheduled Feb. 19 to help raise funds for new books for the library at St. Joseph's Catholic School in Upland.

The event, planned by St. Joseph's Parent-Faculty Group, will begin at 7:30 p.m. at the Thomas Winery, 8916 Foothill Blvd., Cucamonga. The Thomas Winery is reputed to be the oldest winery in California.

Music for the evening will be provided by Rocky Volpendesta.

Mrs. Richard Garner is chairman for the party. Assisting her are the Mmes. Frank Mistretta, Lloyd Schiro and Charles Smith who also serve on the library staff at the school.

The funds raised will help defray the expense of a new shipment of books for the library, according to Mrs. Garner.

Reservations for the evening may be made by calling 982-9632 or 982-4278.

Ticktockers honor Dads with brunch

UPLAND - The National Charity League, Foothill Chapter Ticktockers will honor their fathers with the annual Ticktockers Father - Daughter Brunch Sunday, Feb. 21 at 11 a.m.

The brunch will be held at Orlando's Restaurant, Pomona.

Guests will be received by the senior president, Miss Cecilia DuVall and her father Richard DuVall, and the junior president Miss Kim Tomlinson and her father John Tomlinson Jr.

The Mistress of Ceremony will be Cecilia DuVall and the Invocation will be read by Nancy Barrenechea.

Each grade president will present a short resume of their group's activities for the past year.

Cecilia DuVall will then present a toast to all fathers attending the brunch and in turn DuVall will toast all the Ticktockers.

After the brunch the senior Ticktockers will give a series of short skits honoring their fathers.

Having a laugh

National Charity League Ticktockers Cindy Bond, Barbara Wilcox and Ann Callaway, laugh as they model old hats and apparel to be worn during one of the skits honoring their fathers Sunday, Feb. 21. The event will be the annual Father-Daughter Brunch.

Tuesday February 23rd
SCHOOL TAX ELECTION

Upland Elementary School District

These Are The Facts

Why is the tax increase necessary?

The simple truth of the matter is that after three years of deficit spending, the reserves have run out. We need to have a tax increase to eliminate deficit spending and at the same time maintain a quality education program. About 44 cents of the increase is needed to eliminate deficit spending. Upland has had good schools and has offered a better than average educational program. Our only hope of maintaining a quality educational program is to have the voters approve this tax election. This school year we anticipate our expenditures to be \$3,990,289. Our income estimates from all sources total \$3,724,846. The difference is \$265,443, which will be the anticipated amount of our reserves needed to balance the budget. Next year we will not have enough reserves to finance the deficit.

What is the current income per child?

The income received per pupil from all sources for the 1969-70 school year ranked the Upland School District 19th out of 19 elementary school districts in San Bernardino County. (Upland's per pupil income was \$82.74 less than the average.) During the 1969-70 school year it cost \$595.03 to educate each student in the Upland School District. (This expenditure does not include money for reserves, food services, capital outlay, tuition transfers, state building loan repayments, or bond redemption. The average current in county elementary districts was \$632.82.)

Why did the Board call for an increase?

If the tax election for 75 cents had been successful last summer, we would still have sufficient reserve funds. But now it will take 95 cents for two years to do what 75 cents would have done. The additional 20 cents over a two-year period will generate approximately \$240,000 which nearly amounts to the deficit incurred since the failure of the last election.

How much will the increase cost the homeowner?

The \$750 homeowner's exemption as provided for by law was used in the following computations:

Market Value of Home	Increased Cost per Month
\$20,000	\$3.37
25,000	4.35
30,000	5.34
35,000	6.33
40,000	7.32

How long will the new tax rate be in force?

Only until June 30, 1973. At the end of that two-year period it is hoped that the State Legislature will have acted on tax reform measures that have been promised. The school district also plans to determine long range goals desired by the people of Upland during this time and will determine the cost for attaining the goals. No new programs which require significant expenditures will be implemented until the community has determined what they want their school to do.

What will be done with the funds?

In addition to eliminating deficit spending, the district plans to:

1. Restore reserves to the recommended level (a minimum of 5% of the total budget).
2. Increase supply and equipment allowances for each school.
3. Restore Psychological services.
4. Restore the instrumental music program to again include fifth graders.
5. Restore educational field trips.
6. Restore district maintenance allowances.
7. Provide resources to maintain and recruit a quality educational staff.

Who will be receiving the monies?

All monies generated by this tax increase will go for the support of the educational program in the elementary and junior high schools in Upland.

Resolution introduced seeking 'Earth Week'

Congressman Jerry L. Pettis R-California joined a number of his colleagues last week in introducing a resolution designating the third week of each April as "Earth Week."

"The outpouring of concern by our nation's youth on the first Earth Day must be maintained," Pettis said. "We must not let the pollution issue be relegated to the

rear-burner. The conscience of the public must constantly be reminded of this horrible menace. "The studies, discussions, and activities that would be conducted during Earth Week will help focus the attention of the public on environmental problems, and will renew our commitment to restoring and protecting the quality of the environment."

DAR fetes artist at Tea

UPLAND -- David V. Villaseñor, well-known Glendora artist and sculptor of American Indian sand-painting will be the guest speaker for the annual Colonial Tea of San Antonio Chapter, Daughters of the American Revolution.

The tea is scheduled Feb. 22 at 1 p.m. in the Chaffey Communities Cultural Center, 525 W. 18th St., Upland.

Villaseñor has had one-man shows in museums, schools and colleges across the country. His Indian sand-painting demonstrations, done in conjunction with his lectures, are of cultural value and have been enthusiastically received wherever presented.

On display at the Pre-Columbian wing of the Los Angeles County Museum of History and Science in Exposition Park

Paintings in sand

David Villaseñor, sculptor of American Indian sand-painting, displays his creations, Navajo, Suni and Papago sandpaintings. He will speak at the San Antonio Chapter DAR Colonial tea Monday, Feb. 22.

is an Aztec Calendar Stone made by Villaseñor. This accomplished artist has also written two

books on sandpainting: "How-To-Do- Nature Printing" and "Tapes-tries in Sand."

Testing for sound

Six of the 11-member Francis Avenue Singers test the acoustics of the new Garland Rogers Memorial Pavilion they are donating to Upland Memorial Park. From left are the Mmes. Alice Rogers, Bunney Rowland, Audrey Holme, Barbara Munz, Donna McLaughlin and Jeanette Harris. The shell is being dedicated in the memory of the group's conductor, Garland Rogers, who was killed in an auto accident.

Band shell nears completion

Memorial becomes reality

UPLAND--Garland Rogers conducted a small group of neighbors in a singing group called the Francis Avenue Singers. When he was killed in an automobile accident three years ago, his singers began a project to donate, in his memory, a band shell in Upland Memorial Park.

The 11-member group began by holding dances, concerts and singing for service groups. All money raised went to the building of the pavilion. A concrete firm donated its services, and the group was aided by an architect, Tom Harris, in the designing of the bandshell.

The group received contributions of materials and services for the

project and so, according to Mrs. Ken Holme, a member of the singers, it was difficult to place an estimate of the full value on the pavilion. She figured the group has raised more than \$6,000 for the shell but the non-monetary contributions raised the value higher she said.

The Garland Rogers Memorial Pavilion is tentatively scheduled for dedication March 28 but no formal plans have yet been made.

The singers plan to be the first group to perform in the band shell, and they hope to arrange a concert to follow.

The shell is located just south of the kitchen in the park and faces the tables.

Group members include Mr. and Mrs. Burt Harris, Mr. and Mrs. Ken Holme, Mr. and Mrs. Chuck Rowland and the Mmes. Dolores Houghland, Donna McLaughlin, Barbara Munz and Alice Rogers, widow of the group's conductor. Kay Henry is the accompanist.

New business

CUCAMONGA -- Casa De Villa, a new hair fashion and boutique, has opened at 8063 Archibald Avenue.

In addition to providing coiffures, the new firm sells women's fashions and specializes in pant suits, capris and blouses. Grand opening is slated March 1.

First annual Presidents' journey

Holiday fetes boys and basketball

UPLAND - After 35 hours, 17 basketball games, 60 pounds of spaghetti and innumerable hamburgers, the Presidents' Junior Basketball Tournament of the West End Boys' Club was pronounced a success.

According to Joe Parker, director of the boys' club, 14 clubs were invited and 13 of them attended with more than 100 boys on hand Friday and Saturday at the club's Upland facility.

Named for the holiday weekend on which it took place, the Presidents' Tournament will become an annual event, Parker said. He praised the boys for their performances on and off the basketball courts.

The games, which began at 8 a.m. Friday and ended Saturday at 6 p.m., pitted teams from Banning, Brawley, East Los Angeles, Fallbrook, the Los Angeles Times, North Hollywood, Van Nuys, Paramount, Garden Grove, Redlands and the three branches of the West End club -- Upland, Ontario and Cucamonga.

Fallbrook emerged victorious with Garden Grove second and North Hollywood winning the consolation prize.

After playing ball all day Friday, the club teams ate an enormous spaghetti dinner, provided by members of the community, and viewed films of the Ontario and Indianapolis 500 races provided by the Ontario Motor Speedway.

All the teams, except the local club's branches, and their chaperones spent the night in the gym at the former Upland College on Arrow Highway. Saturday morning breakfast for participating teams was provided by the community and a Saturday lunch was donated by McDonald's of Upland.

While waiting between games boys and their sponsors spent the time attending movies (compliments of individual West End Boys' Club board members); bowling, roller skating or seeking some snow at Mt. Baldy.

A brief ceremony, awarding trophies to the winners and a ribbon to each boy participating, completed the event.

"All the teams said they would return next year," Parker said. "I can't think of any better compliment."

Up, up, up

Participants in the West End Boys' Club Presidents Basketball Tournament last weekend stretch to make a score. Teams from 13 club branches attended the two-day event.

Edison Co. reports minor quake damage

UPLAND -- Electric service was disrupted in a number of neighborhoods because of downed power lines but all generating stations, major substations and high voltage transmission lines remained in service in last week's severe earthquake, according to Southern California Edison Company.

The local area of Ontario, Upland, Alta Loma and Cucamonga experienced no interruption of electric service.

"All of Edison's generating units remained in full operation and came through the quake beautifully," said a spokesman for the utility which serves more than 7,000,000 people in a 50,000-square-mile area of central and southern California.

Edison's bulk power systems suffered some damage but remained in operation. Service crews went to work immediately to repair downed distribution lines serving various affected neighborhood areas, the spokesman reported.

SMOKE SIGNALS

From our high school correspondents

State Honor Band

By VALERIE SKINNER

Four Alta Loma High School students have been selected by the 1971 California All-State High School Honor Band.

The Honor Band is sponsored by the California Band Directors Association. Each school may submit five taped auditions. Of those five, no more than four students may be accepted. Alta Loma High School will be represented by the maximum number.

The four students accepted for the band are: John Ayala, contrabass; Glenn Corner, trumpet; Nancy Miller, french horn; and Dava Selby, clarinet.

Because of a shortage of clarinets in the bands Pam Clayton and Phil Howell will also attend the honor band to play also clarinet and bass clarinet, respectively.

The State Honor band will perform for the 1971 California Band Directors Association Convention at the culmination of a three-day weekend February 19, 20 and 21.

Director of the Symphonic Band will be Harold Arnoldi, director of bands at Wayne State University. Arnoldi of Detroit, Michigan, is currently department head of Music and Director of Bands at Cass Technical High School in Detroit.

His work resulted in his high school band's invitation to perform at the International Society of Music Educators Conference in Dijon, France, in July 1968. This was the first time an American high school band had been invited to perform before this convention, which consisted of representatives from 50 nations.

Director of the Concert Band is to be David S. Goedecke. Goedecke is presently assistant professor of music education at the University of the Pacific Conservatory of Music. He was chosen one of the ten outstanding music educators in America during the 1965-66 school year by the School Musician Magazine.

Electricity is vital to your way of life. So is a healthy environment. We're working to bring you both.

Another generation gap?

Nuclear power plants can help close it.

In Southern California, the need for electric generating capacity has more than doubled in the last ten years. It is anticipated that public needs for electricity will continue to increase.

To meet this growing need, Edison must build additional generating plants now. Otherwise an electric generation gap could occur by 1976.

One of the ways we plan to avoid a power shortage is by constructing additional nuclear power units at the San Onofre Nuclear Generating Station near San Clemente. Although now underway, the first addition will not be ready for commercial operation before 1976.

But some people oppose construction of these units. One of their concerns is radiation. Actually, radiation is a natural phenomenon. Background radiation is everywhere and always has been. It comes from the food you eat, the air you breathe, the materials used to build your home. The San Onofre nuclear plant is a source of some radiation, too. The question is, how much additional radiation are people exposed to living near San Onofre?

The answer: so little that an elaborate monitoring program for the area surrounding the plant has yet to detect any additional radiation from operation of the plant.

Another concern may be the warm water released by nuclear power plants. At San Onofre, sea water is used to cool the plant condensers, and then the warmed water is returned to the sea.

To determine whether this harms the marine environment, Edison

commissioned an oceanographic company of national stature to monitor the offshore waters both before and after the plant was built.

Result: nineteen reports, compiled over a seven-year period, reveal no significant changes in the marine environment. And that's after three years of plant operation.

In addition, the California State Department of Fish and Game made its own study of the same marine area in 1969. The Department concluded that the nuclear unit's operation did not appear to have had an adverse effect on the near-shore marine environment.

Based on these and other facts, we believe nuclear plants are a safe and sensible way to generate electricity. Clean, too. Since there's no combustion in a nuclear reactor, no by-products of combustion are released into the atmosphere.

At Edison, we plan to rely more and more on nuclear power to meet the growing need for electricity in the 14-county area we serve.

SCE
Southern California Edison

Two Alta Lomans rank in scholarship finals

ALTA LOMA - Two Alta Lomans are among the quarter-finalists in Southern California Edison Company's College Scholarship program announced last week.

According to R. W. Bond, Edison manager for Upland, Darl J. Dumont and Stephen E. Hansen are two of the outstanding high school seniors who will continue in the semi-finals for the scholarship competition.

Dumont lives at 8120 Orchard Street, Alta Loma and Hansen lives at 8651 Orange St., Alta Loma. Both attend Alta Loma High School.

Edison's annual scholarship program offers six \$6,000 college scholarships, one in each of the electric company's six geographic divisions. Winners may attend their choice of 24 participating private colleges and universities in Southern California.

The college attended by each winner also receives an unrestricted \$3,000 grant during the four-year scholarship period. In addition, an "Edison Gold Award" for scholastic achievement, and a share of Edison

common stock, will be presented to the students in southern and central California who reach the finals of the program.

A local judging board composed of educators, business and civic leaders will select three students from this region as Gold Award winners. They will then compete for one \$6,000 Edison scholarship to be awarded in this division.

Selection of the scholarship winner from this area will take place in Los Angeles in April.

Realtors honored at Presidents' Ball

CUCAMONGA - Many members of the Ontario-Upland - Chino Board of Realtors received awards, plaques and certificates at the annual President's Awards Ball Jan. 21.

Given recognition were Harold A. Halldin, vice president; Lee V. Alves, second vice president; Freda Shelley, secretary and Milton Stone, treasurer; directors - Sam A. Angona, Tony Belettruti, Clifford Buettner,

C. C. 'Kip' Carlson, Ward Figgins, Geraldine Hughes, Dale McPhetridge, Marino Riccardi and G. Duane Monzingo.

Chairmen honored were Robert Ellingwood, Walter Butterick, Flora Belettruti, Joe Kamanaky, Russell L. Hazen, Robert L. Deards, Larry Ades, Eleanor Macy, Mel Hodell, Elinore Carlson, Karl Leach, Franklin S. Stanson, Gilbert A. Howard, Joe Jacobsen,

Jim White, Beatrice A. Riggs, Francis F. Jensen, Raymond Mosher, Charles Lawrence.

Also lauded were Rosalie Kamansky, president of the Women's Council Chapter of NAREB and state directors David 'Doc' Butler and Amos 'Max' Hawkins.

Certificates were presented to Roy Peeler, Bill Halliburton and A. M. 'Red' Sommers.

College Happenings

Cucamonga debater

The Loyola University of Los Angeles Debate Team won third place trophies, one fourth place and one fifth place award at the USC-Loyola Winter Tournament held at USC.

Freshman Bill Marticorena received the Top Speaker trophy in Junior Division competition. John Rose of Cucamonga, and Bill Larson won eight of their 10 confrontations to take fourth place, and Jack Loesch and Joe Russo were

awarded fifth place after losing to UCLA. The squad amassed a 78 percent win record at the tournament. Debate Coach George Schell said this represented one of Loyola's strongest showings this year.

Dean's list

UPLAND - Included on the fall quarter, 1970 dean's list at the University of California at Santa Barbara are the names of two Upland residents.

Wayne Wilson Cole, son of Mr. and Mrs. Manley

W. Cole and William Frank Palmer, son of Mr. and Mrs. Allen L. Palmer attained a grade point average of 3.5 (B-plus) or better.

Bonnie Robertson

CUCAMONGA - A student from the Cucamonga area has been honored by inclusion on the fall quarter, 1970 dean's list at the University of California at Santa Barbara.

Named on the list was Bonnie Jeanne Robertson, daughter of Mr. and Mrs. Keith Robertson, Cucamonga.

School News

Foothill Council PTA

UPLAND-New officers have been elected for the Foothill Council PTA.

President for the 1971-72 year is Mrs. Philip Savage. Other officers include the Mmes. Howard Belleston, vice president; Cora Hux, secretary; Robert Rickey, treasurer; Floyd Eastday, historian; Charles Bartolotta, auditor and Richard Musser, parliamentarian.

A report was given at the February meeting by the chairman of the juvenile protection committee, Mrs. Briscoe Root. She said the Upland police would begin issuing warnings and then citations to students who jaywalk in front of Upland High School.

Upcoming plans for the group include a tour of the Norco rehabilitation center on March 30 and a dinner slated for March 24.

Guest speaker for the evening was Alan Smith, superintendent of the Chaffey Union High School District. He spoke in favor of a proposal bond election March 16 to allow the district to expand Alta Loma High School to relieve overcrowding there and at Upland High School.

Central School PTA

CUCAMONGA - Cucamonga's Central School PTA will hold their annual Founder's Day meeting in the school cafeteria tonight, Feb. 18 at 7:30 p.m.

Honorary life memberships will be presented to individuals selected by the PTA and elections for new officers will be held.

Cucamonga Jr. High

CUCAMONGA - Cucamonga Junior High School PTA will hold their Founder's Day meeting today Feb. 18 at 7:30 p.m. in room 16 at the school. Honorary life memberships will be awarded and the elections for new officers will be held at this time.

Counselors attend convention

ALTA LOMA - Feb. 19-21, two counselors from ALHS will travel to San Francisco to attend the annual California Personnel and Guidance Association convention.

The two are Lloyd Conner and William Vermilya. Attending the convention will be more than 4,000 personnel and guidance professionals from all over California.

This year's convention theme is "Search for Survival". Among the topics for discussion will be the techniques and different approaches in counseling, the responsibilities of a counselor, and the role of the counselor in the school and in the community.

Speakers at the convention will consist of psychologists, politicians and counselors from various schools.

Club doings

Montclair-Heights BPW

MONTCLAIR - At the regular meeting of the Montclair Heights BPW Club held recently at Montclair Manor Convalescent Hospital, Mrs. Kathryn Wilson, president, announced a \$100 book scholarship would be sent to San Mateo College for Mrs. Christine Quinn, Mrs. Quinn is a graduate of Montclair High School. There will be an applicant selected for the year 1971-72 term from the Montclair area. The scholarship commit-

tee, Mmes. Arthur Novelli, Alfred Ives and Elizabeth McClure, will meet in the near future to determine the recipient. Applications may be sent to any of these members or Mrs. Wilson before March 31.

Mmes. McClure and Wilson reported on the recent San Orco District Winter Conference at Hawaiian Garden Hotel at Indian Wells. Mrs. Charles Brooks (Jannlee) represented the Montclair Club as Young Career Woman in the Speak-off. Both gave very glowing reports and spoke with

pride and admiration of Mrs. Brooks presentation and the very favorable comments of District members. Mrs. Brooks has been asked for copies of her talk which was outstanding and to the point as well as humorous. The subject was "Era of Responsibility."

At the San Orco District Convention held at the Huntington Sheraton in Pasadena on April 24 and 25 the club will supply two pages for the session and were asked to do the banquet decorations for the head table.

Announcement was made of the Central section meeting held in Anaheim of which Montclair Heights is a part. Mrs. McClure was elected chairman of the Central Section making her a member of the executive board of the San Orco District.

Mrs. Pat O'Bannon announced they are moving to Catalina Island and would not be able to participate in the BPW Club activities. She is a charter member and past president of the club having served in many of-

fices and chairmanships. She will be greatly missed by the club.

The next meeting will be held March 2 at Montclair Manor Convalescent Hospital at 7:30 p.m.

Guests will be Mrs. H. J. Ladwig, San Orco Dis-

trict Membership chairman, Mrs. Alma Kin-

nett, assistant membership chairman and Mrs. Betty J. Eagon, State membership chairman.

Republican Women

UPLAND-Mrs. Jack W. Pierce, Program Chairman for Chaffey Community Republican Women, Federated, announced that Mrs. Shirley Abrams will speak on "Needs and Problems of Children Ages Infant to 13" at the Wednesday, Feb. 24 luncheon meeting to be held at the Upland Cascade Recreational Center, corner of Grove and San Bernardino R., Upland.

Mrs. Abrams, who will be discussing the White

House Conference on Children held in early December at the nation's capital, is a young mother active in children oriented councils and committees at the local, county and state level. She holds a degree in elementary education and was appointed by Governor Reagan to attend the Conference. Following her presentation there will be a question and answer period.

Reservations for the noon luncheon, catered by the members, can be made by phoning Mrs. Carl Berry at 983-4407. Cost is \$1.75 per person.

"I REMEMBER" BY THE OLD TIMER

From C. L. Frith, Lynwood, California: I am in my 87th year. I remember well when we had tallow candles for lighting purposes. Then, later we had kerosene lamps. Then we wondered how we ever made out with electric lights and we wondered how we survived with just the lamp. In the year 1896, my dad and family left a little town called Poplarville, Mississippi and went to Arkansas to live. It was 40 miles and it took 36 days to make the trip. We had ox drawn wagons. Quite different from the jet age.

Youth activities

Cub Scout Pack 311

MONTCLAIR -- Cub Scout Pack 311 enjoyed a trip to the Riverside Speedway in January to watch the Permatex 200. Also during January, at the Monte Vista School, the annual inspection was held.

At this meeting Jimmy Dickson and Victor Alaniz were made Bobcats, Greg Franks received his Bear badge and was welcomed into the Webelos Den.

Awards included Wolf badge to Rickie LaVallee,

silver arrow and one year pin to Steve Shefcheck; Gold, 2 Silver and two-year pin to Randy Fishbaugh; Gold arrows to Jon Decoteau and Joe Skorski; 2 year pine and 2 - year-perfect-attendance pin to Richard Armstrong.

Denner badges went to Danny Flores, Lamar Meyer, Terry Wilson and Greg Diener; Assistant Denner badges went to David Tessier, Jimmy Guillen, Bret Smith and Victor Alaniz.

Webelos awards were given to Joe Rice, Rich-

ard Armstrong, Kenny Gruver, Sonny North, Randy Fishbaugh and Chuck Fimple.

The Pack has a window display during February at 9682 Central, Montclair, for Scout Month.

The February meeting was the annual Blue and Gold dinner held Feb. 16 at Montclair High.

Parents of boys interested in joining Cub Scouts may call Pete Rice at 624-6415.

Ambassadors 4-H

UPLAND - The Upland Ambassadors 4-H Club met recently and planned a cupcake sale and dress review training.

The sale was held Feb. 12 at Bill's Ranch Market in Upland. The dress review training will be held Saturday, Feb. 20, April 24 and possibly, May 1.

Boy Scout Troop 652

CUCAMONGA - About 16 boys of Boy Scout

Troop 652 hiked into the Cucamonga Canyon area the weekend of Jan. 30-31 under the direction of C. J. Hamilton, Scoutmaster. Reason for the trip was to work on their badges, hiking, nature and first and second class.

February 7 the boys held Scout Sunday at the United Methodist Church of Cucamonga. Scouts participated in the church service and a display of Scouting work was set up in the parking lot of the church.

Lehigh PTA

MONTCLAIR - Founders Day will be celebrated by Lehigh PTA tonight, Feb. 18 at the Serano Junior High School Auditorium.

Mrs. Ocie Greer, kindergarten teacher and Founders Day chairman, has selected the theme "Mission Accomplished" for the program. The fifth and sixth grade chorus will entertain. Past PTA presidents and honorary service award recipients will be honored. Mrs. Jan Halverson, honorary service awards

chairman, will announce this year's recipient of the PTA's award.

The program will be followed by refreshments.

'Fairy Tale Days'

MONTCLAIR - "Fairy Tale Days" is the theme of the Girls League sponsored Backwards Week, annually held on the Montclair High School campus. The fun starts February 22, and finishes on Feb. 27 with the girl-ask-boy dance entitled "Once Upon a Time." Price for admission is \$2.50 for ASB

card holders and \$3 for others. The dance will be from 8 p.m. through 11:30 p.m.

Main event will be the announcing of the Backwards Week King. Who will it be? Don Bace, Mike Garcia, Paul Plaster, Mark Sorenson, Rod Lasher, or Jim Brinkman? Honorary member of the court will be our Finnish exchange student Matti Luikko.

On Wednesday everyone is urged to dress up as "The Real You." All week, members of the student body will be able to buy fairy suckers, and popcorn. Vote for your favorite ear.

RH Little League plans annual event

ROWLAND HEIGHTS—Rowland Heights Little League is now preparing for its first social event of the season. The annual Father and Son Banquet will be held on Sunday, March 7, at Ybarra School from 3-5 p.m. It will feature a chicken dinner, entertainment, door prizes and a guest speaker from the world of baseball.

Among the many door prizes to be given will be free tickets to a Dodger game and an Angel game. Guest speaker for the

day will be retired pitcher for the Yankees, Tom Morgan, now a scout. Tickets will be sold at try-outs Feb. 20. The price is Father's \$1.50 and sons \$1.

Anyone wishing to buy tickets may do so by calling 964-8283 by March 1. Also that day boys wishing to enter the newsette name contest may turn in their entries.

The next general meeting is Wednesday, March 10, 8 p.m. at Ybarra School. All parents are urged to attend these meetings.

A place to practice

San Dimas High School officials have expressed their appreciation to McKinley Boys' Home for the use of the Home's football field this season, in the absence of a field at the new high school. Here, talking over field conditions at the Home are, from left, Principal Ralph Laird of the high school; Steve Nicholson and John Risdall, members of the football team, who live at the Home; and Head Football Coach Bob Baez. The high school and home are conveniently adjacent.

Harlem Globetrotters

Basketball can be fun. In fact, the sport can be downright hilarious!

If anybody wants proof, they can find it in abundance at the Cal Poly Pomona Kellogg Gym tonight when the fabled Harlem Globetrotters present their family entertainment package.

The famed ambassadors in short pants will meet the New York Nationals in the main event, backed by a variety of entertainers in the pre-game and halftime shows.

The fun program starts at 8 p.m., and runs about two-and-a-half hours.

While many stunts familiar to the live Globetrotters' show are built into the series, the Globetrotters aim their comedy at villains they encounter in each episode.

The characters:

Meadowlark Lemon - Always coming up with odd schemes for overcoming a problem... sings when he plays basketball, moves with long, loping strides... sits behind the bus driver's seat on team bus, but often must chase the team mascot off his personal bus seat.

Freddie (Curly) Neal - Acts as reluctant foil for Meadowlark's schemes... Meadowlark usually talks him into taking pratfalls.

Bobby Joe Mason - Forgetful personality... usually forgets his record player... even forgets what he forgot... teams with Dribbles (mascot dog), who helps him remember.

Hubert (Geese) Aushie - Lovable guy with a heart of pure gold... his overly kind habits often get team in trouble... has a loose walk... is pigeon-toed and knock-kneed... loves to shine Curly's head.

Pablo Robertson - A tiny Globetrotter... always dribbling a basketball off-court... a real live wire... energetic and optimistic... walks with an easy, groovy step... talks so fast one can barely understand him.

"Gip" Gipson - Giant of the team... like an elephant... has a booming voice... crazy hook shot... constant companion of Pablo.

Granny - Team manager... lil' ol' lady type from Pasadena... house mother to Globetrotters... cooks meals... feeds them vitamins... tucks them in bed... also, lead-footed hot rod driver of team bus.

For group tickets or additional information call (714) 595-1241 or (213) 964-6424, ext. 633.

Assistees

UPLAND - "And Suddenly It's Spring" was the theme of the traditional event of the Assistees of Upland. The annual fashion show was presented by the girls Feb. 6, at 11:30 at Red Hill Country Club.

A Spring motif of yellow and green daisies arranged in olive straw baskets trimmed the table. The centerpieces were created by Donna and Diane Hixson and their com-

mittee appointed by Miss Jane Vath.

Mrs. Jack Pierce welcomed the guests and acted as commentator for the showing of fashions from Fallis' West of Montclair Plaza, Montclair.

Modeling were Kelli Devore, Diane Hixson, Donna Hixson, Pam Holgate, Margo Horgan, Janet Mahoney, Cyndi Rebeck, Shirley Stewart, Jane Vath, and Vicki Van Antwerp.

An innovation this year was the look of the past,

made possible by Mrs. Arthur Accomazzo. Mothers of the Assistees donned the costumes contrasting our modern apparel. Modeling were the Mmes. Louis A. Herbers, Wolfgang D. Koesler, Paul J. Mahoney, Ivan Marburger, and James Van Antwerp.

The "Little Sisters" program at the Cucamonga Girls Club was pointed up when two of the girls appeared as models in the show.

Mrs. Donald C. Har-

wich was the adult advisor for the show. Miss Jane Vath, chairman for the show, and Miss Pam Holgate, chairman of the Assistees, were responsible for its success. Proceeds from the Assistees Fashion Show will go to their philanthropy fund.

AARP schedule

Nellie Rogers, Tour Chairman of the Ontario-Upland Chapter 781 of the American Association

of Retired Persons (AARP) has announced the first tour to be made by the newly organized local chapter.

A bus trip will be made on Feb. 25. Guided tours will be made of the western headquarters and pharmacy of the American Association of Retired Persons at Long Beach and the M.H. Sherman Gardens at Corona Del Mar. A stop for lunch will be made at Fashion Island, Newport Beach.

The bus will leave at

8:30 a.m. from Von's Market parking lot at the corner of Euclid Ave. and G Sts., Ontario.

For further information and reservations call Marion Sullivan at 983-3708 or Connie Codella at 983-4821.

Reservations may also be made for a two-day outing to Palm Springs on March 22-23. The bus will leave at 10 a.m. from the same parking lot on March 22. Included in the plans are overnight at the Sands Hotel, dinner at the Sand-

piper, a ride on the Aerial tramway with lunch at the tramway lodge, a tour of Sniff's Date Garden, and time for shopping, swimming, or relaxing.

AARP membership is open to those persons aged 55 and over, whether or not retired. New members are welcome. Call Harold Joelson at 985-7856 for membership information.

The next meeting of the local chapter will be on March 15 at 7:30 p.m. at the Upland Boise Cas-

cade Mobile Home Park at the corner of San Bernardino Road and Grove Avenue in Upland.

Upland Travelers

UPLAND - The Upland Travelers Club has announced its upcoming events for March.

A trip into Los Angeles to the studios of CBS to see the Merv Griffin Show is planned for March 2. Las Vegas and Death Valley will be the next trip.

Upland WCTU

UPLAND - A Frances Willard Fruesta will highlight the meeting when the Upland Woman's Christian Temperance

Union gathers at the home of Mrs. Iva Marr, 170 10th Avenue, Upland, Feb. 19 from 1 p.m. to 3 p.m. The theme of the meeting will be "A head with Understanding," stressing honesty in international affairs. Mrs. Marr, president, will preside.

An article entitled "Frances E. Willard, Woman of God," published in the Union Signal, will be read by Mrs. Carol Metzger of Upland, in memory of Miss Willard's

heavenly birthday that occurred on this date. Miss Willard was one of the founders of this organization. Discussion of her life will follow.

Mrs. Katie Habegger, Christian Outreach director, will use as a basis for her devotion the subject, "One Human Race".

The Fruesta of fruit juice and coolies will be served at the close of the meeting.

Upland Woman's Club

At a recent meeting the past presidents of the Upland Woman's Club were honored.

Those attending were Mmes. Marion Maxwell, 1944-45; Earl Wenger, 1947-49; J. B. Swingle, 1950-51; C. P. Jacobs, 1958-60; Clyde Mackall, 1960-62; Ralph Almquist, 1962-63; M. W. Woodward, 1964-65; C. Stowell, 1965-67; L. B. Van

Ornam 1968-69 and Lewis Stokes 1969-70.

A highlight of the meeting was the presentation by Mrs. J. B. Swingle of newspaper clippings written by Mrs. Una Winters, president 1929-31. These newspaper accounts trace the history of the club to 1950. The book will be added to the historical collection of the club.

A program was presented by Rev. Fred Judson. His topic was "Money."

Past presidents were given orchids obtained by Mrs. Scudder Chamberlain. Corsages were made by Mrs. Ben Mackall.

Coming events for the club are a style show at the Feb. 23 tea, The Annual Card Party March 16, and a Scholarship Dinner March 30, Spring Rummage Sale April 2. Members made reservations for the District Fine Arts Festival to be held in Fontana, Feb. 26. Mrs. Leigh Hunt, presided.

Cucamonga-Alta Loma Woman's Club

CUCAMONGA -- The works of Nathaniel Hawthorne will be discussed tomorrow, Feb. 19 in the literature section of the Cucamonga - Alta Loma Woman's Club.

A paper on Hawthorne will be presented by Mrs. Leo Cherbak and two of his books, "The Scarlet Letter" and "The House of Seven Gables" will be reviewed by Mrs. Her-

bert Minor and Maud Bonillas.

In the past the group has heard papers on Washington Irving and Benjamin Franklin. The objective of the group is to study American literature with reports on biographies and autobiographies, and works by famous American authors

Upland Women

UPLAND - The Upland Woman's Club will hold its annual Card Party and Salad Smorgasbord Tuesday, March 16 at 12 noon. The public is invited to the event, according to club sources. Price per person will be \$2. for the fund-raiser.

Committee chairmen for the event include the Mmes. E.B. Struve, E. Bertis Gaun, A.A. Barth, Charles Benninghoff, Thomas H. Brennan, L.S. Hadley, L.B. Van Ornam and Marvin R. Wharton.

NOTICE OF TRUSTEE'S SALE
FNMA #7-04-141118-XC
No. FSC 70-2701

On March 25, 1971, at 11:30 A.M., FAIRFIELD SERVICE COMPANY as duly appointed Trustee under and pursuant to Deed of Trust dated November 14, 1968 executed by Frank Sedillo and Maria Sedillo, husband and wife, as joint tenants, and recorded November 19, 1968, as Instr. No. 793, in Book 7133, page 165 of Official Records in the office of the County Recorder of San Bernardino County, California, WILL SELL AT PUBLIC AUCTION TO HIGHEST BIDDER FOR CASH (payable at time of sale in lawful money of the United States) at the North Entrance to the County Courthouse, in the City of San Bernardino, Calif., all right, title and interest conveyed to and now held by it under said Deed of Trust in the property situated in said County and State described as:

Lot 54, TRACT NO. 4665, as per plat recorded in Book 57 of Maps, Pages 77 to 82, inclusive, records of said county.

EXCEPT an undivided one-half interest in all oil, gas, minerals and hydrocarbon substances lying below a depth of 500 feet from the surface of said land, but without the right of entry upon any portion of the surface of said land for the purposes of exploring for, boring, excavating, drilling, mining, prospecting for, removing or marketing said substances as reserved in the deed from Westcliff Homes, Inc., a California corporation, recorded August 8, 1956 in Book 4096, Page 349 of Official Records.

Also excepting therefrom an undivided one-half interest in all oil, gas, minerals and hydrocarbon substances lying below a depth of 500 feet from the surface of said land, but without the right of entry upon any portion of the surface of said land for the purpose of exploring for, excavating, drilling, mining, prospecting for, removing or marketing said substances, as reserved in the deed from Equitable Savings and Loan Association, a corporation, recorded August 31, 1965, in Book 6163, Page 635 of Official Records.

Property Address:

4668 Kingsley Street,
Montclair, California

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note secured by said Deed of Trust, to-wit: \$13,722.01, with interest from June 1, 1970 as in said note provided, advances, if any, under the terms of said Deed of Trust, fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust, hereafter executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on October 22, 1970, the undersigned caused said notice of breach and of election to be recorded in book 7540, page 521, of said Official Records.

2190 N. GAREY, POMONA

Robert Blake

UPLAND -- Staff Sergeant Robert E. Blake, son of Mr. and Mrs. Ernest Blake of Julesburg, Colo., has been recognized for helping his former unit earn the U.S. Air Force Outstanding Unit Award.

The 408th Fighter Group, which was inactivated Oct. 1, was cited for exceptionally meritorious service from July 1969 to June 1970. During the award period, the unit excelled in opera-

tional readiness and capability inspections and tactical evaluations.

Sergeant Blake, now an administrative specialist with the Aerospace Defense Command's 4788th Air Base Group at Kingsley Field, Ore., will wear a distinctive service ribbon to mark his affiliation with the unit.

The sergeant, a 1965 graduate of Julesburg High School, received his A. A. degree in accounting from Chaffey College, Alta Loma.

His wife, Peggy, is the daughter of Mr. and Mrs. R. C. King of Upland.

Robert E. Blake

Navy announces additional openings in WAVE program

MONTECLAIR -- The Navy has announced more openings in its WAVE program for qualified women.

Women between 18 and 26, single, with a high school education are eligible for the program. WAVES serve in more than 20 occupational fields varying from journalists to electronic technicians.

The WAVE program, dating to World War I,

began with volunteers designated as Yeomanettes doing work mainly as stenographers. With World War II, the Navy accepted some 100,000 women as Women Accepted for Volunteer Emergency Service.

Additional information on the WAVE program is available from the Navy recruiter office at 10665 S. Mills Ave., Montclair, phone 621-4213.

Interceptor pilot receives top award

Major Frank Beck has received the 163rd Fighter Group award for "Outstanding Interceptor Pilot" for 1970. Major Beck, a member of the Ontario based California Air National Guard unit received the silver challenge at the unit's monthly training assembly.

The citation that accompanied the silver challenge read in part, "The 196th Fighter Interceptor Squadron annually recognizes the Outstanding Interceptor Pilot of the year by the award of an engraved silver cup. The award goes to that pilot whose record of successful intercepts in the F-102A and his scores on monthly written examinations are higher than all other pilots in the 163rd Fighter Group."

Major Beck attempted 118 intercepts and scored on all but two, for a "Hack-rate" of 98.3%. On written exams he averaged 94.1%. The computed overall score attained was 97.4%, highest of all 39 pilots in his unit, known to be one of the best flying units in the Guard.

Major Beck is a native of Nebraska. As he explained it, "There was an airfield across the road from the farm and one day a formation of P-51's swept over and that's all it took. I'll never forget it. I knew I'd never rest until I was a pilot."

And rest he didn't. After his tour in the U. S. Navy at the end of World War II, Beck was off to Loyola University and a degree in Business Administration, graduating in 1951. During his days at Loyola he was active in the Air Force ROTC program, and upon graduation went to pilot

training. Upon completion of pilot training, having won his wings, he went directly into the U.S. Air Force in 1953.

Major Beck was with the Air Force until 1956 and still wanting to be a military pilot but also a civilian, he applied for membership in the California Air National Guard.

Unfortunately, many pilots had the same idea. The waiting list was over three years long. Finally, he was brought into the 196th Fighter Interceptor Squadron.

Since 1960, Major Beck has been establishing his outstanding record in his crack unit. Now the 196th's officially recognized "Outstanding Interceptor Pilot," Major Beck recalls that day in Nebraska with a sense of inner accomplishment.

His home is at 1501 N. Laurel Ave., Upland, where he lives with his wife Rosemary. They have been married 20 years and have seven children. His oldest child is attending dad's Alma Mater, Loyola U., studying pre-law. He has two daughters at St. Lucy's Priory in Glendora and another son at Damien High School, La Verne.

In addition to his most recent achievement, Major Beck's wings are now those of a Command Pilot. He wears the EXPERT rating for flying skill from the Aerospace Defense Command of the U. S. Air Force.

Today, Major Frank Beck's youngest children ask to be taken to nearby Cable Airport to watch the airplanes. Naturally, he is glad to take them there, but not only as a father: maybe as he stands there with his

youngest son, that afternoon in Nebraska is not so very far away after all.

Kenneth Hard

MONTECLAIR - Airman Kenneth B. Hard, son of Mr. and Mrs. Kenneth C. Hard of Montclair, has completed basic training at Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill., for training in the aircraft equipment maintenance field. Airman Hard is a 1969 graduate of La Mirada High School.

Terry Marcum

LA VERNE - Terry Lee Marcum, son of Mrs. Betty L. Marcum, La Verne, recently enlisted in the United States Army for three years.

According to Staff Sergeant Philip Patton, U.S. Army Recruiter in Montclair, after Terry completes eight weeks basic training at Fort Ord, he will receive specialty advanced individual training.

Program for mentally gifted

BY BARBARA TARSHES
Cal Poly Intern

UPLAND--Algebra research projects and German are not the usual subject matter for 12 and 13-year olds but these classes are included in the program for mentally gifted minors (MGM) attending Pioneer Junior High School.

The program that was begun last fall, has 44 students in special 7th and 8th grade classes. The students are selected through intelligence exams and special achievements in either reading or math says Gladys Snyder, coordinator of the Pioneer program.

Mrs. Snyder explained that recently the state realized they had no program for the mentally gifted. The state set up the criteria for the program and provided testing aids.

The actual program development was left up to each school or school district.

Different programs are offered the students in each grade level. Each child may be in only one special class or he may be in all of them. In his regular studies he attends classes with all his schoolmates. The program does not attempt to segregate the student from others in his class.

The basic program at both year-levels is academically-oriented. Optional programs are available for students in areas of their own interests. They are given one hour of free time a week for their projects. Students can do special research projects, act as tutors or teacher aides.

More seventh graders are participating in the optional program than eighth graders, Mrs. Snyder said.

der said. "I think the eighth graders feel they have too much to do with school work," she explained.

One student, Scott Grossberg, a seventh grader, plans to be a doctor. "I went to my science teacher and he asked me what kind of doctor I wanted to be. I told him a surgeon, so he said he'd try to get me a heart to dissect." In the meantime Scott is making a human heart out of modeling clay.

Another student interested in science is Martha Alexis, also a seventh grader. She brought in two goldfish to the science lab where she has been polluting them in their tank.

"I have tried different pollutants like oil and thermal pollution (heat)," she explained. "The thermal pollution just about killed them," she said.

Carolyn Rietkerk is an eighth grader who has chosen tutoring in reading as her optional project. She uses the special equipment provided in the reading lab and listens to her tutor read and gives help and encouragement. She uses flash cards, and slide projects to aid her "students."

Teacher assistants, like Marty Thompson, work with the classroom instructor during her free period. He helps grade papers, set up projects and design and make bulletin boards. He does not work directly with the class but helps before they meet.

Academic programs for seventh graders are in the areas of math, English and history. Math is an accelerated program of both seventh and eighth grade texts. The major thrust of the course

is to prepare the student for algebra when he is in eighth grade.

English is taught with more materials and books than is made available to the normal class. Students learn to analyze literature and read a number of short stories.

History brings outside speakers from the community and from the area colleges to speak to the students on the subject matter for the course, ancient history. In this way it is felt the student will learn more "in depth" knowledge of the subject than the regular course teaches.

The eighth grade English class is really a journalism course that produces the student newspaper, literary magazine and yearbook.

In eighth grade math the students begin a first year high school course in algebra. When the students transfer to high

school they will go on to the next level, geometry.

Another high school class taught at the junior high level is German. The first year German class uses the same texts that are used in high school and students will go into the second year class when they transfer.

History for eighth grade MGM students features the team teaching method where two instructors teach the class instead of one. The program is designed to develop leadership potentials among the students.

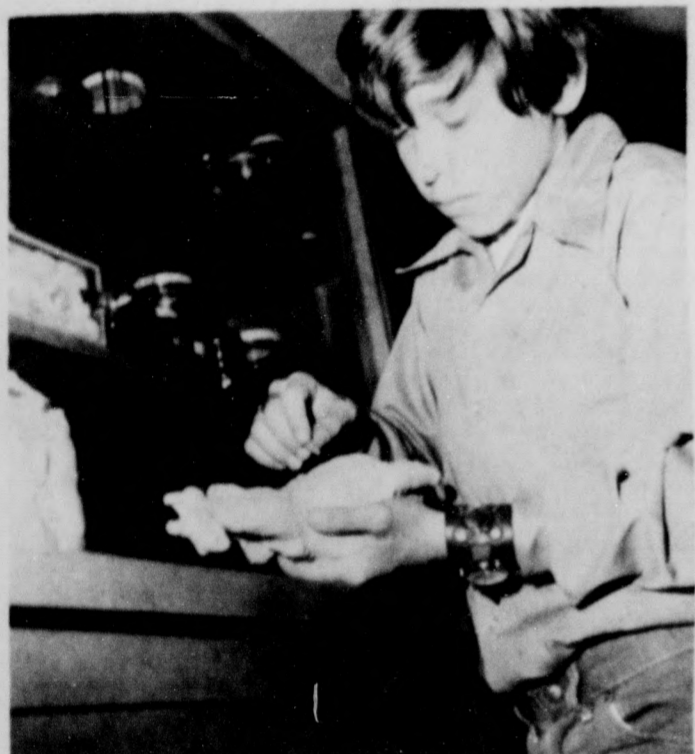

Thus far, according to Mrs. Snyder, parents seem to be pleased with the program and the response has been positive from participating students.

Upon entering high school, the students will be ready for advanced placement in their class level.

Polluting fish

Martha Alexis practices "fish pollution" as her special projects study. Her fish almost died from thermal pollution she said.

It's a heart

Scott Grossberg models a human heart of clay also for a science project. Scott plans to become a surgeon and later in the semester hopes to dissect a heart.

Teacher's Aide

Marty Thompson, teacher aide to Mrs. Lilla Clark, finishes up a bulletin board display about Mexico in Mrs. Clark's classroom.

Ready? Read!

Llori Malone gets a quick reading brush-up from her tutor Carolyn Rietkerk. Carolyn is holding flash cards that Llori must read to her.

FOOTHILL & EUCLID-UPLAND-INDIAN HILL & ARROW HWY. - CLAREMONT 156 E. BONITA - SAN DIMAS

GS will present flag at symposium

Girl Scout Junior Troop #823 of the Las Caballeras Neighborhood, Spanish Trails Council, Serrano District has been invited by the National Secretaries Association to plan and carry out the Flag Ceremony at their Annual Symposium and Fashion Show to be held at the Disneyland Hotel, Anaheim on Feb. 20 at 9:15 a.m.

As part of Scouting, girls are required to complete nine activities to earn the "Sign of the Arrow". The purpose of this activity is to complete the second requirement of the "Sign".

Members of the troop are: Valerie Burdick,

Becky Burdick, Virginia Cherry, Jill Cooperider, Sherrie Crump, Karen Frei, Jill Goger, Lisa Greer, Kim Hillard, Janet Huntington, Kathy Larrutta, Jill Muller, Kristin Rose, Terri Tolfa, Elizabeth Vian, Vicki Watters, Mary Whiting and Barbie Wright. Leader - Mrs. Michael Rose and Assistant Leader - Mrs. R. Goger.

SDX Journalistic Society election

Carl Yetzer, staff writer for the San Bernardino, Calif., Sun-Telegram, was elected 1971 president of the Inland Professional Chapter at the group's annual meeting. He succeeds Arthur C. Nauman, managing editor of the Riverside Press.

Morris, secretary; Jim Geehan and Dick Lynets, directors.

Holdover directors are Jim Hushaw and Mary Sanchez. Nauman continues on the board as past president.

It was reported at the meeting that the chapter realized close to \$3,000 from its sponsorship of the Jan. 27 basketball game between the Harlem Globetrotters and the New

Jersey Reds in San Bernardino. The money will be used by the chapter for its scholarship and educational programs.

State funds returned

The State Controller's Office has distributed \$826,511 in interest earnings among the state and local agencies that participated in the condemnation deposits fund investments during the final six months of 1970.

Los Angeles County Metropolitan Water Dis-

trict of Southern California received \$11,151.48. San Bernardino County water district received \$6,297.03.

One of the leading earners was the Metropolitan Water District of Southern California with a total earning of \$29,605 spread over five counties.

Workshop night

The Neil A. Armstrong PTA will hold its workshop night this evening at 7:45 p.m. at the school. The evening will be spent making enrichment materials to be used by the teachers as aids in teaching the children. Gary Olesen, Mary Doherty, Ivon Nelson and Joe Burke are pictured getting things ready for the work crews.

Youth sought for filmmaker contest

KVCR-TV, the Inland Empire's Public Television Station, announces its first young people's filmmakers' competition. The contest is open to all persons 18 years of age or younger and offers awards, broadcast time and national competition for winning films.

Awards are to be made in two main divisions of ages, 6-12 and 13-18 years. Films may be live action or animation and fall into any category such as comedy, documentary, nature, drama, song interpretation or point of view. Awards will be given in both divisions for first, second and third plus honorable mention. Special awards are also to be made for the most imaginative film and best film by the youngest filmmaker.

Deadline for competition is February 22. People interested in entering must call KVCR-TV at (714) 885-0234, extension 282, or write KVCR-TV, San Bernardino Valley College, 701 S. Mt. Vernon Ave., San Bernardino, California, 92403. Make inquiries to the attention of the young filmmakers' competition director Al Gondos.

After KVCR-TV has judged all entries, the station will put them together and produce a "Young Film Winner's TV Special" to be broadcast on Channel 24 in April. The winning films will then be sent to the Young People's National Film Competition held by National Educational Television in New York City. National grand prize

winners will receive additional awards, prizes and national exposure when their films are incorporated into an NET television special on the PBS TV network in May.

Each filmmaker or group may submit as many films to KVCR-TV as meet entry requirements but each film must be accompanied by a filled out entry blank and whatever sound is part of the film. Films may be 8 mm., Super mm., or 16 mm. in color or black and white.

Any sound accompanying a film must be submitted in the same package as the film. If a record is to be used, it is highly recommended that it be transferred to 1/4 inch audio tape. All en-

tries must be made with complete written assurance that all necessary rights, permissions and clearances have been obtained. Filmmakers are urged to make a duplicate print if possible.

KVCR-TV will select a judging panel of five qualified film experts for competition. The decision of the judges is final. All films will be returned to the makers after local or national competition is completed. KVCR-TV reserves the sole and exclusive rights to use and to authorize others to use the films for unlimited broadcasts for non-commercial television broadcasting in the U. S. and abroad for a period of four years.

Need help on income tax?

A 160-page booklet on how to fill out your Federal income tax return is now available at all Internal Revenue Service offices.

The booklet, "Your Federal Income Tax", sells for 75 cents and contains many examples to illustrate how the Tax Reform Act applies to actual situations. A special feature of the booklet is the sample, filled-in return, Form 1040, keyed to pages in the booklet where explanations can be found for the entries on the return.

The material, written in laymen's language, is especially helpful to taxpayers who have unusual tax situations or new tax problems.

Examples of taxable and non-taxable income and of allowable and non-allowable deductions are included. A detailed index helps taxpayers find the answers to their tax problems.

The booklet may also be obtained from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, at 75 cents a copy.

Mexican dinner proceeds to benefit City of Hope

MONTCLAIR -- The Claremont Chapter City of Hope will hold a Mexican Dinner at the Sycamore School Auditorium at 8th and Yale Sts., in Claremont, on Saturday, Feb. 27.

Dinner will be served between 5:30 p.m. and 8 p.m. The proceeds are designated to go to the City of Hope Hospital in Duarte.

Mrs. Rosa Torrez will cook the dinner. Mrs. Julia Contreras, and Mrs. Amelia Ramos will assist. Food chairman for the event is Mrs. Ade-

line Marrion. Ticket chairman is Mrs. Martha Williams. In charge of door prizes is Mrs. Janice Schultz. Mrs. Mildred Wiener and Mrs. June Gorman will take charge of decorations. Music to eat by will be furnished by Mrs. Flores assisted by Salvador, Pedro and Gabriel.

Tickets are available at the Montclair Pharmacy from Kathryn Wilson, president of the chapter.

The City of Hope is a free - nonsectarian National Pilot Medical Center, seeking to influence medicine and science everywhere through pioneering programs in patient care, research and education in cancer and leukemia as well as disease of heart, blood and chest.

The chapter will hold its next meeting at Pilgrim Place, in Claremont, on Thursday, Feb. 25, at 8 p.m. Contact Mrs. Wilson for further information.

Dinner donations are \$2.50 for adults and \$1.25 for children under 12.

Tickets on sale

Mrs. Kathryn Wilson, far right, is displaying the tickets available for the Mexican Dinner to be held Feb. 27 to raise money for the City of Hope. Checking over the plans is Mrs. Edward Jones while Mrs. Louis Robbins proudly displays the chapter's banner.

Readers' forum

Letter of thanks

Dear Mrs. Kirkpatrick: I have been reviewing with Jim Blackburn the extensive coverage you have given to Chaffey College activities in recent months. We wish to thank you and your associates for this significant public service.

Our ability to meet the many and varied responsibilities of a modern community college is enhanced by the fine way you inform your readers and our constituents regarding instructional opportunities and community service activities here.

Please permit me as a comparative newcomer to this area to commend and thank you on behalf of the Chaffey Community College District and the other

67 lower division college districts in California.

Cordially,
Stanley Warburton,
Superintendent

Opinion offered

Dear Sir: In reply to the letter from Mr. J. E. Brown, I'd like to offer my opinion on the recent increase in disposal rates for the City of Montclair.

Mr. Brown implied that the employees of the disposal service smash the garbage cans in retaliation for low wages, and that the residents of Montclair were forced into the rate increase under threat of dented garbage cans.

Apparently Mr. Brown has not considered the cost of living increases as of late. Most industry in the area has re-

cognized the need for wage adjustment to meet these increased costs. In my opinion, the men that pick up the garbage are no different.

Mr. Brown must also believe that the disposal service is a conglomerate type of corporation, incapable of any feeling for the individual. This is not so. This is a business run by one man, who, through his own efforts, built a business based on community service.

In conclusion I'd like to say that I envy Mr. Brown's involvement in the problems of today. A dented garbage can certainly ranks far above war, hunger and poverty, and having read his letter, I looked at my own garbage can and it is dented. I am worried. J. David Riggs
5147 Canoga St.
Montclair, Calif.

CHINO—5382 Riverside Drive

UPLAND—549 N. Mountain Ave.

Hail! The noblest cake of all! +

For those who place the noble chocolate cake on a pedestal — and who doesn't? — here's Chocolate Velvet Cake. This cake promises to be as luscious a homemade cake as ever you've baked. It's all heavenly chocolate inside and out from top to bottom, perfect for company! It's large, gracious; scarcely an everyday dessert.

All this old-fashioned homemade deliciousness can be attained in a new-fashioned way with pre-sweetened,

Nestle's Semi-Sweet Chocolate Morsels. These smooth-melting morsels are the secret to shortcut chocolate cookery and extraordinary cakes and frostings.

To bake this cake you're using a method as modern as the chocolate — just one bowl needed. Sift the flour, add the sugar, beat the eggs. You'll bake a cake light as air!

Let the cake cool and while it's doing so, blend together the rich Chocolate Velvet Frosting.

VELVET CAKE

- 1 6-ounce package (1 cup) Nestle's Chocolate Morsels
- $\frac{1}{4}$ cup water
- $2\frac{1}{4}$ cups sifted flour
- 1 teaspoon baking soda
- $\frac{3}{4}$ teaspoon salt
- $1\frac{3}{4}$ cups sugar
- $\frac{3}{4}$ cup softened butter
- 1 teaspoon vanilla
- 3 eggs
- 1 cup water

Combine in saucepan semi-sweet chocolate morsels, $\frac{1}{4}$ cup water and stir over low heat

until melted and smooth. Remove from heat. Sift together flour, baking soda and salt; set aside. Combine in bowl, sugar, butter, vanilla and beat until well blended. Add eggs one at a time, beating well after each addition. Blend in melted chocolate mixture. Stir in flour mixture alternately with 1 cup water. Pour into two greased and floured 9-inch layer cake pans. Bake in 375°F. oven 30-35 minutes. Cool. Fill and frost with Choco-

late Velvet Frosting.

Velvet Frosting

- 1 6-ounce package (1 cup) Nestle's Semi-Sweet Chocolate Morsels
 - 3 tablespoons butter
 - $\frac{1}{4}$ cup milk
 - 1 teaspoon vanilla
 - $\frac{1}{4}$ teaspoon salt
 - 3 cups sifted confectioners' sugar
- Melt semi-sweet chocolate morsels and butter over hot (not boiling) water. Remove from water. Add milk, vanilla and salt; mix until well blended. Gradu-

ally beat in confectioners' sugar.

Yield: $1\frac{3}{4}$ cups frosting; enough for two 8 or 9-inch cake layers.

Hot Choco-Cinnamon Drink

- 2 cups milk
- 6 heaping teaspoons Nestle's Quik® Chocolate Flavor (quick chocolate-flavored mix)
- $\frac{1}{4}$ teaspoon cinnamon

Combine all ingredients in saucepan. Heat to serving temperature. Yield: 4 servings.

Earthquake delays filing

To those concerned with the deadline date for college opportunity grant applicants:

Because of the earthquake in Southern California and the closing of schools, the deadline for filing of applications for the College Opportunity Grant Program has been extended from February 15 to February 22. All applications must be postmarked no later than midnight, February 22.

Cradle Guild Auxiliary

A Stretch and Sew Fashion Show will be hosted by the members of Cradle Guild Auxiliary of Pomona.

It will be held on Feb. 20, at 1:30 p.m. at the First Christian Church, located at Garey and N. Park Ave., in Pomona.

The chairman for this event is Mrs. Paul Gates of Pomona, and a theme of Washington's Birthday will be carried out in decoration and dessert.

Anyone interested in attending this event, may contact Mrs. Gates for tickets at 593-6663. Tickets are \$2 per person.

American Baptist Women

American Baptist Women of Bethany Baptist Church will hold their quarterly meeting Tuesday, Feb. 23, 7:30 p.m. at the Fellowship Hall.

One of the highlights of the evening will be the showing of slides, of the work done in Limbe, Haiti, by Miss Norine Kistner, Miss Kistner, a teacher at Chaffey High School, was one of three "summer missionaries" that assisted Iva and Harold Heneise with their work in that field.

Mrs. Carl Hinson, white cross chairman, will have on display the garments, bandages, etc., made by the members to be shipped to the various missionary fields.

Mrs. Tom Matlock, chairman of the nominating committee, will present the slate of new officers for '71-'72.

The meeting will be hosted by the "Circle of Concern for White Cross."

"Women of the World" was the theme of the American Baptist Women University Association "Winter Festival" held recently at the University of Redlands.

Ten women from Bethany Baptist Church of Montclair attended the gala affair. The highlight of the evening was a narration and presentation of such famous women as: Ann Judson, wife of Adoniram Judson, missionaries to Burma; Catherine Booth, wife of William Booth, founder of the Salvation Army; Jane Adams, champion against child labor; Eleanor Roosevelt; Golda Meir; Coretta King; Indira Gandhi; and Queen Esther of Bible fame.

Association members played the part of "stand-ins" for the famous women.

Brownie Troop 1101

Brownie Troop 1101, Spanish Trails Girl Scout Council, recently toured Gary's House of 1000 Candles in Ontario as part of the brownie "Be a Discoverer" program.

Adults accompanying the Brownies were Mrs. Joe Cottrell, leader, Mrs. Ross Russell and Mrs. Kent Ripley. Troop members taking the tour were Charlene Bolejack, Debra Bostic, Kathy Cole, Teri Cottrell, Monica Garcia, Lynele Gardner, Candi Gigg, Cynthia Jase, Nancy Perez, Laurie Rose and LaVaye Whitlock.

PV YMCA

Youth from the Pomona Valley YMCA attended the YMCA Model Legislature held in Sacramento where three bills dealing with ecology were passed.

The three bills were: (1) Assembly Bill #113 - "Pollution of State Waters". Proponent of this bill was Assemblywoman Barbara Brown and Senator Sue Compton of the Pomona YMCA.

Bill 2 - #226 - "Taxation of Church Property".

Bill 3 - Senate Bill #215 - "Control of Off-shore Drilling."

YMCA delegates see government in action

By Stephanie Williamson
Ganesha Reporter

600 high school students got it together at the 23rd annual YMCA Model Legislature recently.

YMCA's from all over California sent delegates to Sacramento for a four day government session. Each Y brought up a bill and tried to get it passed. The bill was first presented in a committee and voted on. If it passed, the bill moved to the House of its origin and was again presented. If it passed, it moved to the other House

and underwent the same process. If the bill passed both Houses, it went to the student governor who either signed or vetoed it.

Some bills that passed were: an act relating to the legalization of prostitution; an act relating to offshore oil drilling; an act relating to family life and sex education; an act relating to taxation of church property; an act relating to draft counseling; and an act relating to felon suffrage.

This experience gave the participants a closer look into the functions of state government. It brought students from all ages, races, and religions together in an atmosphere of love and peace for fellow delegates. It made them aware of problems. It helped them reach solutions. It taught them responsibility.

Strangers became friends who will not fade. Prejudices were laid aside and hands were ex-

tended. These students worked hard and learned.

Upland topples Bonita

--Bearcats take Chino

LA VERNE--Last week was one that Bonita's Cagers looked forward to, believe it or not. Their two opponents, Upland and Chino, were riding high in the San Antonio League basketball race, Upland having the crown in the bag and Chino appearing to be rolling to second place, with only the Montclair Cavaliers mustering a serious threat.

Upland handled the Bearcats rather easily on Tuesday, 79-56, while Chino tipped past Montclair 52-51. The Highlanders, led by Big Frank Harris and Len McDonald with 17 each, came to life in the first quarter after trailing 9-2 and reeled off 14 straight points, going on to their eleventh victory.

Bonita, in spite of the losing effort, battled the Scots in the first half to come within 8 at intermission, but the rebounding of Harris and McDonald, a pair of 6-4 seniors, told the tale. Dave Shambelin and Kip Krueger both fouled out for the Bearcats in the fourth frame to dim Chuck Potts' team's chances for a comeback.

Randy Russell's hustle, along with Dan Gould's 11 and Dan McCleary's 10, was about all the partisan crowd had to cheer about.

The Junior Varsity was also dumped by the talent laden Scot's team 68-51 in spite of a sparkling 18-point performance by Jim Kennan.

Against Chino Thursday evening on the Cowboys' home spread, was a different story. The Bearcats, seeking revenge for an earlier defeat, ripped their opponents 80-67. With classy guard Danny Martinez sidelined with the flu, Phil Pinto poured in 32 in a losing

Mad scramble

Bonita and Upland cagers grapple for the ball in league game which did nothing to dampen Upland's spirits, since they clobbered the Bearcats. Upland remains leader of the SAL league's field, with only two games left to play.

effort for Chino.

It was probably the finest game of the year for the Bearcats. Kip Krueger was phenomenal with 25, followed closely by Dan McCleary's 23. Krueger, operating close to the bucket underneath, where he really looks at home, twisted and faked the Cowboys' chances down the tube.

McCleary, shooting like the Dangerous Dan of old, was matchless. Randy Russell's 13 and Dan Gould's 10 points helped knock the Cowpokes out of the saddle.

Russell has been ex-

hibiting a deadly hand from the free-throw line, and continues to show tremendous hustle.

The victory shocked the Cowboys into the realization that their second place perch is within reach of Montclair and Bonita. They are a game ahead of the Cavs and 2 over the Bearcats with only 2 remaining on the schedule. It is highly unlikely Chino will fold now, but stranger things have happened, and there are a couple of teams in the SAL who feel they can lasso and hogtie the Cowpokes even if it is with their dying gasp.

Saints split pair

SAN DIMAS -- The San Dimas Saints split a pair of basketball games last week in local cage action. The Saints traveled to Riverside to roll over La Sierra 50-43 behind the 18 point effort of John Schober. It was the 6-2-1/2" forward's finest game of the season. Jeff Nelson, who has been crippled with a twisted ankle during the last few games, had 16.

Nelson leads prep scorers in the San Gabriel Valley with a 24.5 per game average. San Dimas is also ranked fifth in team defense with less than an allowed 54 points per game for their opponents.

The Saints are unfortunate to have two of the top 1A teams in the area on their schedule. Aquinas and Notre Dame have both shared the fourth spot in CIF rankings, and Notre Dame's Titans are currently tied for that spot.

Thursday night the Titans rolled over the Saints 74-49. Wayne Moses, the Saints' hard-charging guard, topped all scorers with 20 points. But Coach Bill Jones' five, no doubt aided by the limited appearance of San Dimas' star Jeff Nelson, leading after one quarter 17-15, stretched their margin to 36-22 at half-time. Nelson left the game in the first frame with five points. After having the ankle heavily taped, he insisted over the objections of Coach Bob Espinoza, in returning to the lineup. He was given a standing ovation by the partisan fans and dumped in 8 more points to wind up with a total of 13.

Wayne Moses had an eleven point burst in the fourth quarter, to give the San Dimas supporters something to cheer about. It is indeed refreshing to see two outstanding coaches of the caliber of the Saints' Bob Espinoza and Notre Dame's Bill Jones. Both are gentlemen in every sense of the word, and their quiet and extremely effective method of coaching is mirrored by the performances of their teams.

Jones, a 10-year veteran at Notre Dame, like Espinoza, is genial and friendly, both on and off of the floor. They not only have the respect of their players, but of their many fans and officials who work their games. Hats off to two of the many fine area coaches.

Final bobby sox registration told

ROWLAND HEIGHTS--Final registration for Bobby Sox softball season will be held at the front entrance of Farjardo School on Feb. 20 from 2-4 p.m. Girls are requested to bring a birth certificate, a parent and \$5 registration fee.

Girls are eligible for play if they will be nine by Sept. 1, 1971 and will not have passed their 16th birthday by August 31. However 16 year olds are eligible for umpiring.

At this time we are making a special plea for girls between 12-15 so we can field major teams this year. Girls need not be skilled in ball but must have the interest and enthusiasm if we are to enjoy a successful season.

An important meeting is to be held at Security

Pacific Conference room on March 1 at 8 p.m. Besides drawing for teams, plans for the coming season will be discussed. Practice will start in March and games in April. Adults are needed to perform such duties as scorekeeping, coaching, chaperoning and managing. Interested parties are urged to attend. Additional information may be obtained by contacting league president, D. L. Rickard 964-5777.

Sign-up deadline

LA VERNE -- The last day for sign-ups in La Verne Little League will be Saturday, Feb. 20, between 10 a.m. and noon at the Little League field east of La Verne Primary School.

Tryouts for major league boys age 10 to 12 will be held on Saturday, Feb. 27, starting at 9 a.m. at the field.

Vineyard LL registration

CUCAMONGA -- The Vineyard Little League registration for the upcoming Little League Season will be held Saturday, Feb. 20 at Etiwanda School in the Community Room from 10 a.m. to 1 p.m. and at Central School in Cucamonga on Saturday, Feb. 27 from 10 a.m. to 1 p.m.

This program is for but not older than 13 years of age before Aug. 1, 1971. All boys must be accompanied by a parent and please bring a state certified birth certificate. Baptismal and hospital certificates are not certified, therefore not acceptable according to the league.

Donation for this season will be \$5 a boy.

L. League registration

MONTCLAIR -- Registration for Montclair Eastern and Central Little Leagues will be held this Saturday at Montclair High School from 10 a.m. to 3 p.m.

Any boy 8 to 12 residing within the city limits is eligible. Boys who become 8 years old on or before July 31 are considered Little League age. It should be noted that boys playing last year must also register for the coming season.

The Little Leaguer must be accompanied by a parent and present a certified birth certificate. For additional information contact the Little League Player Agent: Eastern - Joe Navarrete 624-6177 or Central-Don Gray 624-5610.

Volunteers are still needed for Minor League managers. Any adult interested in working with boys of this age group, please contact the officials during registration.

Damien holds sports banquet

LAVERNE-SAN DIMAS Coach Jerry Cheek, formerly a Pomona Catholic Boys High Coach and now serving at Washington State, was guest speaker at the annual Damien High School football banquet, held in the gym under Booster Club sponsorship.

Coach Mike Churchill presented awards to Kevin Carroll, Spartan of the Year; Joe Baumgartner, most valuable back; Gino Elias, most valuable lineman; Ken Nance, most improved; Bill Obeso, most inspirational; and Ken Maloney, most valuable defense.

Captain awards went to Bill Obeso, Mike Bastien

and Kevin Maloney. Sophomore team awards were made to Brian O'Neil, outstanding lineman; Dan Hester, outstanding back; and Bob Vislay, most improved. Freshmen awards went to David Tich, outstanding lineman; Ward Kanowsky, outstanding back; and Brent Barranchara, most improved.

New Booster officers were installed by the retiring president, Joe Pulvino. Assuming their 1971 duties were Ray Martin, president; Jim Griffin, vice president; Andrew Oddi, treasurer; Richard Stensby, secretary; and Cedric Elias, sergeant-at-arms.

January Sales - \$9.8 Million!

RECORD BREAKING SALES VOLUME!

This is the largest sales volume in the history of the company. The previous high was \$8.8 million in June 1970. January 1970 the sales volume was \$6,243,973. All of these amounts include cooperative sales.

What does this mean to buyers and sellers of Real Estate?

As a buyer you have the largest selection of the best properties because... serious sellers want to list with a company who has a proven track record of selling. Remember...

"Buying or Selling, Large or Small, Herbert Hawkins is the One to Call."
